History: The property is located south of Weeping Willow Street and east of South Main Street. The Pahrnagat Valley High School Auto Shop was used as an auto/ wood/ technology classroom and workshop for the high school. It was constructed between 1975 and 1976.

Environmental Work: A Phase I Environmental Site Assessment (ESA) was completed in June 2016. A Sampling and Analysis Plan was completed in September 2016 for Phase II ESA activities to be conducted. The Phase II was conducted in February 2017, which reported hazardous fire debris, asbestos containing materials, and petroleum hydrocarbon impacted soil. Environmental reports are available upon request.

Existing Condition: The subject site has not been used for educational purposes since a fire occurred on February 24, 2016. The building is currently being used to store equipment and tools salvaged from the building prior to fire damage cleanup.

Future Use: The Lincoln County School District is considering cleanup alternatives for this site.
