

FORMER TONOPAH LANDFILL

ACRES-ID: 82781
Address: Southeast of US 95
Tonopah, NV 89049
APN: 008-271-9999
County: Nye
Latitude: 38° 02' 52.08" N
Longitude: 117° 12' 24.26" W
Size: 60.93 acres

History:

Property was the municipal landfill for the Town of Tonopah under a Recreation and Public Purpose lease from the Bureau of Land Management from 1976 to 1986. The property reverted to Bureau of Land Management control upon expiration of the Recreation and Public Purpose lease.

Environmental Work:

A Phase I Environmental Site Assessment completed in June 2007 recommended further environmental assessment due to the property's historic use as a landfill.

Existing Condition:

The site is currently not in use, and a soil cap has been placed over the former landfill. However, solid waste and debris is evident across the property, including three 55-gallon drums of unknown origin or content. There are numerous unpaved roads crossing the site but no structures.

Future Use:

Debris on-site requires characterization and removal prior to redevelopment. Options for the best redevelopment plans for the site are under consideration.

Nye County Contact:
